

## **“Special Gems”**

There are numerous Special Gems among us. These Special Gems are volunteers who are willing to step forward when asked or when someone says I need some volunteers to help me with a small or large project. These Special Gems just seem to appear out of nowhere ready and willing to do what they can to get er' done.

I would like to send a special “Thank You” to the Eagle Riders for their support to our club and community.

Another “Thank You” goes out to the volunteers who have graciously helped with the banquets and club picnic, etc. to make everything go more smoothly.

I cannot say “Thank You” enough for all you have done to help me in 2010 and hope I can rely on you in 2011.

## **Combined Aerie & Auxiliary Meeting**

There have been a lot of new things tried in 2010 to help us financially and to keep us at our current home. Some have been successful and have been continued, but they might not have been enough. A combined meeting on the fate of us staying at 627 Lubeck Ave is being scheduled, so please look for meeting details in the Aerie and on website.
