

CLARIFICATION to Aerie Financial Update

The Fraternal Order of Eagles is a **NON-PROFIT** organization. In an unofficial reporting of the outcome of individual events that doesn't include the standard operational costs, the use of the word profit is only about the events in reference. It is the revenue from an event that is used to pay toward the operational costs.

Please, if there are any questions or concerns, come to a Member's Meeting on the first and third Tuesdays. Find out the faxes of what's going on before getting outsiders involved. Let's not waste their time or ours.

Working together as Brothers & Sisters in this Fraternal Order is the only way to keep what has been worked so hard for in the past.
