The Worthy President, Walter Wright, is looking for Aerie and Auxiliary members interested in working on committees needed for the various tasks during the transition to a new facility. Please place your name, contact information, and area of interest on the sign-up sheet in the Aerie Social Room.

Status of the Facility

An offer was made by the WV Department of Highways to purchase our building and land. It was discussed at the member's meeting on Feb. 1st and he members voted to ACCEPT the offer.

The contracts are being finalized. Due to the changes in the usage of the property, a zoning change request is being presented to the Board of Zoning on March 16th. Contingent on that outcome, we will be closing on the sale on April 15th. It has already been agreed to with the state that we will vacate within 60 days of closing.

Committees are forming on all aspects of finding a new location and clearing out from Lubeck Ave. The Aerie and Auxiliary participation is very important for the successful future of Aerie #2307.
